

I Hope I Shall Arrive Soon

And if I lived my life again I know I'd make the same mistakes
Leave my heart with no defence but make damn sure I saved those cakes
If it sounds intriguing, I'm being misleading, I hope that you will keep me on
Regrets are many and the nights so long

I hope I shall arrive soon
Empty-headed on a magic gliding bird
I hope I shall arrive soon
On a stripy planet where I get the final word
And if I should survive you
Leave a message by the phone and tell me where you've been
I hope I shall arrive soon, then I'll fax you back a sample of my dreams

And if it seems I'm half asleep it doesn't mean I'm tired of you
Sometimes flight-paths get so steep it leaves some catching up to do
I want to love you longer, stronger
I hope you'll have the kettle on
Regrets are many and the nights so long

I hope I shall arrive soon
At a rainy station on a dark November night
I hope I shall arrive soon
On a sparkling island where the jet-set all alight
And if I should survive you
Leave a message by the phone and tell me where you've been
I hope I shall arrive soon
Then I'll fax you back a sample of my dreams

I hope I shall arrive soon
On my favourite sofa - I'll sit down and ring my friends
I hope I shall arrive soon
When the ice melts from my wings I'll make amends
And if I should survive you
Leave a message by the phone and tell me where you've been
I hope I shall arrive soon
Then I'll fax you back a sample of my dreams

I hope I shall arrive soon
I hope I shall arrive soon
